## PROFILE

I'm a junior UX designer eager to learn, grow, and refine my skills. I'm very interested in creating sustainable, user-friendly designs. I bring the unique perspective of a formally authorized psychologist in special education with extensive experience in evaluating child behavior and development. This background enhances my ability to prioritize accessibility in my UX designs.

## EDUCATION

02/2022-12/2022 - **Google UX Design Specialization, Coursera** - [certificate](#)

Ten months course with seven modules and three projects: mobile app, website, responsive website.

2004-2008 - **Bachelor's Degree in Special Education**  
Babes-Bolyai University of Cluj-Napoca, Romania

2003 - Graduated **Arts College** Baia Mare, Romania

## SKILLS
